ARIZONA HIGH SCHOOL WEIGHTLIFTING ASSOCIATION

2023 Arizona High School Team Championship Information & Rules

1. Each Arizona High School may send one Team per Gender, ie. (1) one Boys Team & (1) one Girls Team. Each School will submit their Team Roster by the Registration Deadline.
2. There will be a separate Girls & Boys Team Championship.
3. Athletes must be currently enrolled in the school and in good academic standing.
4. High Schools that have Junior High grades or programs on their campus (7-12 Schools) may allow athlete grades 7-8 to compete as part of their school.
5. USAW Membership is NOT required, but is needed for athletes in order to make official USAW marks or post Qualifying Totals for USAW National Events. USAW athletes wishing to post an official Total will compete in the Youth/Open Division, and their Totals will also count toward awards, placement, and team points in the High School division.
6. Athletes without USAW Membership will need to submit a completed Participation Waiver, signed by a parent or guardian, prior to competing.
7. Each Participating Team is expected to provide a minimum of (2) loaders, for at least one session.
8. For 2023 High School Teams are comprised of up to (10) Ten Varsity Lifters, with no more than (2) per Weight Class. Additional lifters may still compete for Individual placement, but will be non-scoring (JV) in regards to Team points.
9. In order to score Team Points, lifters must achieve minimum totals. 2023 Totals must exceed the lifters Bodyweight. Example: A 55kg lifter must post a total of at least 55kg in order to score Team Points.
10. Team Scoring will be per AZHSWA Competition Rules, with scoring point table as follows:

TEAM POINTS SCORING TABLE	
Athlete Placement within Weight Class	Team Points
1st	10
2nd	8
3rd	6
4th	4
5th	2
6th	1

11. Team Points Scoring Table may be adjusted based on the final total number of participating schools, and any changes to the scoring will be made at the Coaches Meeting or first Technical Meeting at the competition.
12. At the conclusion of the competition, those lifters meeting minimum totals will score points based on their placement within their respective weight class.
13. The points from all the lifters from each Team are combined for a total Team Score. Teams are then ranked for placement from highest Team Points to lowest Team points.
14. In the case of a Tie, the tie will be broken by the number of first place finishes, then second place finishes, then third place finishes, etc.
